

19001AR-LED

4" IC Airtight Remodel LED Housing

Product Description

Molex base allows for quick, snap-in connection of NICOR® D-series and SD-Series LED downlights. Suitable for residential and commercial applications. Suitable for direct contact with insulation. IC rated and airtight.

Housing

Airtight housing limits the exchange of air between ceiling plenum and heated/cooled areas
Washington State Energy Code approved to meet restricted airflow requirements
Molex to Ideal® adaptor whip available (Not required for DLR4)
5 1/2" height allows use in 2" x 6" joist construction

Junction Box

Listed for through-branch circuit wiring and includes several 3/4" knockouts
Supplied with three push-in wire connectors
