

# STQ

## LED Square Step Light

### Product Description

Your favorite LED step light has a sleek new look. The LED square step light is everything you loved about the STP but now in a square form. NICOR's LED Step Lights are a great complement for your residential and commercial projects. This step light not only provides safety, but it offers a warm, natural glow making it a perfect accent for any project.

#### Construction

Die cast aluminum trim routes heat away from electrical components

#### Optical System

Indirect, baffled face for even, glare free, illumination

#### Electrical

Operating temperature rating of -10°F to 122°F (-23°C to 50°C)

Input voltage of 120V

Lifetime rated for greater than 50,000 hours

LM79, LM-80 testing performed in accordance with IESNA standards

#### Finish

Exterior white powder coat finish

Also available in Black, Oil-Rubbed Bronze and Nickel

#### Installation

Easy spring clip installation

Integrated junction box eliminates need for separate box.

#### Warranty

5-year limited system warranty standard
