

MPM
Metal Dome Shade Pendant Light

Product Description

The MPM Series industrial pendant light brings an artful edge to contemporary spaces. Featuring an oversized dome shape, this light combines a softly rounded matte black shade with a bright white inner surface for a striking contrast, or nickel with nickel inner surface for a sleek utilitarian effect. The black braided cord adds a touch of sophistication and can be adjusted for customizable height during installation. Whether suspended over a dining table or in a living room arrangement, this fixture defines a space with its finely crafted metal and artisanal appeal, adding a bold and sophisticated touch to any modern interior.
